ECBOCES GT ADVISORY COMMITTEE

OCTOBER 6, 2016

Facilitator: Jodi Church Recorder: Jodi	Present: Sara Turrell, Delsi Steach, Carey Carson, Jodi Church	Absent: Kim Hall, Laurie Warren, Gina Yeater-Cary
Group Norms: • *Start and end on time* • *Notify meeting facilitator when one will not be attending* • *Clear communication in a timely manner* • *Everyone's input is valued and respected*		
Agenda	***Minutes***	***Action to be Taken***
4:00-5:00 1. Welcome & Re-introductions 2. Review notes from April 2016 meeting 3. Additions to Agenda 4. GT Updates 5. ALP Update, Sample Document, Sample Goals 6. Next Steps	ALP Discussion: Ideas for supporting districts in creating ALP's: • Suggest that an Impact Team member be a part of creating standards aligned ALP goals. They have the experience/knowledge in creating advanced criteria on rubrics and know how to look at the next grade level's criteria for a standard. All districts except one have impact teams and Jodi will continue to support the coordinator at the district that does not have teams. • Use the "Relevance & Application" section on the Colorado Academic Standards for math goals. There are real-life situations that could be used to write goals for a math project. • Jodi will continue reaching out to other GERCs around the state to compile a list of sample standards aligned goals.	Jodi will continue to add to the ALP sample document. Jodi will get the info about impact team members and math goals out to coordinators. Everyone keep a list of questions, concerns and ideas for ALPs for the next meeting. Everyone investigate ideas for programs/resources for GT math.

	Ideas for how to ensure parent notification and involvement is happening with ALPs. • Could meet with student, parent, and teachers in the spring to get the goals started and then finalize by early fall. • Progress monitor goals at conferences.
