Agenda	***Minutes***	***Action to be Taken***
4:00-5:00 1. Welcome & introductions 2. Review notes from October 2016 meeting 3. GT Updates (UIP, CPP, district trainings, student events) 4. Acceleration Policy 5. Next Steps	After looking at sample acceleration policies: • Some suggested that the more specific policies would be better for many districts. • For content/course acceleration, more specific criteria would be helpful. • Principal/Superintendent could have the final say but if a parent does not want their child accelerated, they should be allowed to decline. It should be an agreement between the parent and the administrator. • Consider addressing the need for transportation when a child is content/course accelerated and needs to be transported to another building. •	Jodi will wait about a week for more input then will create a sample to be sent to all committee members for feedback. Jodi will work with Don to decide how to present/provide the sample policy to districts.
