

MARCH IS BRAIN INJURY AWARENESS MONTH!

Working Together
Promoting
**Brain Injury
Awareness Month**
March 2022

Did you know...

- Brain injury is a leading cause of death and disability in the US.
- Based on prevalence rates, Colorado is only identifying about 30% of students who have long lasting educational needs caused by brain injuries. We can do better!
- Concussion Management and BrainSTEPS Teams assist in the identification of and support for students who have sustained a brain injury.

ALMOST *half* A MILLION KIDS

are treated in an emergency department each year for traumatic brain injury*, including concussion.

* alone or along with other injuries or conditions.

THAT'S MORE THAN 5,000
OF THE NATION'S LARGEST SCHOOL BUSES
FILLED TO CAPACITY.
