## Educator Effectiveness Regional PLC: Finishing Strong and Planning for the Coming Year

**At this meeting, districts and BOCES will:**

- Consider the district implementation of evaluation systems: data, processes, and systems
- Gain strategies to improve educators' end-of-year reviews
- Share methods to gather and apply MSL/MSO data for educators
- Network with colleagues from other districts to discuss evaluation systems and processes
- Strategically plan for the 2020-2021 school year while closing out the 2019-2020 school year
- Learn about new resources on the CDE website regarding local flexibility in educator evaluation

**WHO: District/BOCES Teams and/or individuals including Superintendents/Leadership, Principals/Evaluators, Teacher Leaders**

Additional meetings are still being added so check the registration link for the most up-to-date meeting options.

Stay tuned to your Regional Specialist's Emails and Educator Talent communication.

*The Educator Effectiveness team is committed to supporting educator practice and building an integrated, systematic approach to educator evaluation. One primary way of providing support is by bringing professional learning communities (PLCs) together so that regions can connect and collaborate. Please reach out to your Regional Specialist if you have a topic idea for a PLC.*
