

Accident Reports

Adequate and prompt accident reporting is essential if injuries or property damage occur. Prompt reports are vital in assuring BOCES staff and others of insurance coverage. Such reports may be important in the event of litigation.

An accident report shall be filed on every accident that takes place on BOCES property, involves a BOCES vehicle, or involves students or staff on BOCES/school- sponsored trips or activities, including staff members on authorized BOCES business trips. Such reports are required whether or not there are any immediately evident injuries or damage to property.
