

EAST CENTRAL
BOCES

Principal and School Counselor Professional Development Day

Wednesday, January 28, 2026 ~ Code to Check In:

- 9:00 am Welcome and Introductions, Presenters for the day include:**
- | | |
|-------------------|---|
| Nicole Kollath | Assistant Special Education Director, EC BOCES |
| Megan Eikleberry | Federal Program/Staff Developer, EC BOCES |
| Chauncey Stephens | MSSW, Project AWARE Team Lead, CDE |
| Katy Goebel | Multi-Tiered System of Supports (MTSS) Specialist, CDE |
- 9:15 am Rtl - Response to Intervention (Required for School Districts to Implement)**
This training equips principals and school counselors with a clear and practical understanding of the Response to Intervention (Rtl) framework. Participants will learn how to develop and support effective Tier 1, 2, and 3 systems, use data to drive decision-making, and help lead collaborative teams for student success.
- 10:45 am Break**
- 11 am Colorado Multitied Tiered Systems of Support (MTSS)**
This session will provide a high-level overview of COMTSS and the five components to support school-level implementation grounded in implementation science. Participants will explore school level tools and resources as well as discuss how the components connect and enhance the work they are already involved in within their schools to increase student outcomes, enhance family and community engagement, and make data informed decisions.
- Noon Lunch Provided**
- 12:45 pm MTSS Q& A Session followed by**
- Promoting Wellbeing and Belonging with Landscape Website and Implementation Resources available on CDE's website**
Educators will learn how the Landscape of Wellbeing and Belonging within Colorado's Multi-Tiered System of Supports [website](#) and [implementation resources](#), including online courses, self-assessments, and implementation guides, can be utilized to promote wellbeing and belonging for students, staff, and families in their school communities.
- 2:30 pm Questions, Reflections and Evaluation**
